

Group Supervision via Zoom

with Tori Settle

Tori will be running a group supervision session for 6 participants. Participants are welcome to either bring their own material on this occasion or join in discussion with peers. This is the first of a regular set of group supervision sessions with a closed group - so for those of you who wish to bring clinical material at a later date, there will be opportunities to do so. Future dates and times will be agreed when we meet.

Tori Settle

Tori was the CEO of the Bowlby Centre from 2020 – 2022 and ran the clinical training for 9 years before that. She is a teacher and course tutor for the Centre, with many years of experience. Tori currently runs weekends for professionals who want to explore their own attachment patterns in relation to their clients. She has over 20 years of clinical experience as an Attachment-based Psychoanalytic Psychotherapist and is a supervisor and trainer.
